MC Squared Energy Services Introduces Innovative Online Electricity Rate Quote Service

Northern Illinois businesses looking to control electricity costs can now receive a free, no obligation quote in just a matter of minutes

Chicago, IL – [MC Squared Energy Services, LLC](http://www.mc2energyservices.com) (mc²), an Illinois-based retail electricity supplier, has introduced a new online electricity rate quote service at www.mc2energyservices.com. Using a confidential and unique user name and password, Northern Illinois businesses who visit the site will simply enter basic information from their most recent electricity supply bill. In just a few minutes, they will receive a free, no obligation quote that is based on, and customized to fit, their specific electricity usage patterns.

"We believe that we are one of the first companies in Illinois to offer such a system," said Chuck Sutton, president of mc². "Buying electricity is sometimes a confusing process for many businesses. With our convenient online pricing system, most Northern Illinois businesses will now have a quick and easy way to obtain their alternative electricity supply options. Plus, our online quotation system only takes a few minutes to complete."

In addition, mc² is making a donation to the Ronald McDonald House Charities[®] of Chicagoland and Northwest Indiana for every customer that obtains a free quote regardless of whether they buy electricity from mc². mc² currently serves more than 1,500 electricity accounts in the ComEd service territory including commercial real estate buildings, condominium associations, manufacturing and warehouse facilities, retail outlets, educational and health care complexes, and data centers.

For more information on mc², phone **(877) 622-7697** or visit www.mc2energyservices.com
