If you live in a community where MC2 provides opt-out aggregation, you may be eligible to opt into the aggregation rate. A list of communities where MC2 provides opt-out aggregation is available here <https://www.mc2energyservices.com/municipal-aggregation/illinois>. Please use the contact information in the chart for a description of opt-in options. Customers who are not eligible to be part of the aggregation for any reason are not eligible for the aggregation pricing.
