FREE Kane County Cougars Tickets for mc² Customers

As the official electricity supplier for the Kane County Cougars, mc² is offering our customers free Kane County Cougar tickets during the 2019 baseball season. Ticket vouchers are available on a first-come, first served basis. Don't wait — they go fast!

To receive your free tickets, email your name, address, email and the number of vouchers desired (limit 6 per account) to info@mc2energyservices.com. We will send you a confirmation email and mail your tickets to the address provided.

Let's cheer on the Cougars to a winning 2019 season!

mc² Honors Earth Day With Unique Green Initiative

Earth Day 2019 took place on Monday, April 22. To celebrate, mc² retired Midwest-based, Green-e Wind Renewable Energy Certificates (RECs) equal to 100 percent of the energy consumption of all of our customers during the entire day. That included every residential, commercial, educational and governmental customer in the states we serve, Illinois and Ohio.

Those RECs are equivalent to eliminating more than 2,800 metric tons of CO² from the atmosphere. Earth Day is a worldwide event established in 1970 to support environmental protection. mc²'s unique green initiative is just one way to demonstrate our commitment to making the planet a better place.
