A Taste of Home

“Dinner is where the magic happens in the kitchen.” mc² prepared dinner at the Ronald McDonald House located near the Loyal Medical Center. Team members got together to cook a pasta dinner for families staying at the house. By volunteering through *Meals from the Heart*, families are able to eat together without having to worry about cooking or dining out while their child receives medical treatment. A home-cooked meal goes a long way, especially when offering a taste of home to those away from theirs.
