Happy Holidays from MC Squared Energy Services!

This holiday season, the MC Squared Energy Services (MC2) team embraced the spirit of giving and celebration in meaningful ways.

Spreading Joy with Ronald McDonald Care Kits

We kicked off the festivities by participating in the Ronald McDonald Care Kits program. Our team came together to pack essential kits for families in need, providing support during their challenging times. This activity not only allowed us to give back to the community but also gave us the opportunity to reflect on the past year and set our goals for 2025. Care kits are a powerful way for groups to make a positive impact, offering families the essentials they need to stay by their child's side amidst hectic schedules of doctor appointments, hospital visits, and travel between Ronald McDonald Houses or Family Rooms.

Celebrating with Wolverine Trading

In addition to our community efforts, we joined Wolverine Trading for our annual Christmas party! The evening was filled with delicious food, dancing, and heartfelt conversations as we celebrated the season together. It was a fantastic opportunity to bond with both our MC2 and Wolverine teams, creating cherished memories that will carry us into the new year.

Warm Wishes

We hope everyone has a great holiday season this year! Let's continue spreading holiday cheer and making a difference in the lives of others. Here's to a season of giving, joy, and a bright year ahead in 2025!
