The City of Crest Hill has selected MC Squared Energy Services, LLC (mc<sup>2</sup>) to administer a **Green Electric Aggregation Program**.

The selection of mc<sup>2</sup> ensures that the power supply cost for participating residential and small business customers will **not be greater than the ComEd basic service tariff rate** while providing the City with electric supply and Renewable Energy Certificates; plus provide us with a civic contribution at no increased cost to the City or its residents.

In addition, this new Green Electric Aggregation Program enables the City of Crest Hill to be designated an EPA Green Power Community.

### What is electric aggregation?

On August 10, 2009, Governor Quinn signed into law Public Act 096-0176, which allows municipalities to arrange for the provision of electric to residential and small commercial retail customers by alternative electric suppliers (i.e. suppliers other than ComEd). Under this law, the municipality may seek bids for the provision of aggregate electric supply services to their residents and small businesses.

### Who is eligible to participate?

Eligible residential requirements: All residents located in the City of Crest Hill that are receiving electric supply service from ComEd are eligible to participate.

Eligible business requirements: All small businesses located in the City of Crest Hill that are receiving electric supply service from ComEd, with a ComEd designated annual usage of 15,000 kWh or less, are eligible to participate.

### What is the electric supply price for the program?

The price will equal to the ComEd’s basic service tariff rate including the Published Purchased Electricity Charge, Transmission Service Charge and Purchased Electricity Adjustment charge. This price can change month to month. A historical price from last 12 months can be found at [www.mc2energyservices.com/IL/HistoricalPricingPTC/P](http://www.mc2energyservices.com/IL/HistoricalPricingPTC/P).

### Can you explain how enrollment is handled?

Customers receiving this letter will be **enrolled automatically** to receive electric supply from mc<sup>2</sup> unless they choose to opt out by following the instructions in the letter. Additionally, a “change in supplier” letter from

the Utility will be sent confirming enrollment in the City's Green Electric Aggregation Program.

### What will change on my electric bill if I'm enrolled?

You will continue to receive a single bill from ComEd each month. "MC Squared Energy Services" will be designated as your supplier in the "Supply" section of your ComEd bill. ComEd will continue to bill you for distribution services and taxes. Payments should still be sent to ComEd at the address provided. There is no impact to ComEd services such as Budget Billing, Peak Time Savings and/or financial assistance.

### Will I receive notification of the supplier change?

ComEd will always mail a confirmation letter indicating a service change whether you switch to mc<sup>2</sup> or return to ComEd supply service.

### Is there an early termination fee?

There is no termination fee; only obligated to pay for services rendered under the contract until your service is terminated.

### Will my electric service be disrupted when I switch?

No, there will be no disruption in service. You will continue to receive the same electric service through the same transmission and distribution system currently operated by ComEd. The switch to mc<sup>2</sup> is seamless.

### What happens at the end of the program term?

At the end of the term, if the City decides to end the program, all accounts served by mc<sup>2</sup> will be returned to ComEd service.
