

The City of Sycamore

Electricity Aggregation Program

Electricity Supply Price

mc² Electricity Rate

The rate is equal to the ComEd's basic service tariff rate including the published Purchased Electricity Charges, Transmission Service Charges and Purchased Electricity Adjustment for each applicable month.

The term for the new program is from January 2019 to August 2020.

What is an electricity aggregation?

On August 10, 2009, Governor Quinn signed into law Public Act 096-0176, which allows municipalities to arrange for the provision of electricity to residential and small commercial retail customers by alternative electric suppliers (i.e. suppliers other than ComEd). Under this law, the municipality may seek bids for the provision of aggregate electricity supply services to their residents and small businesses.

Who is eligible to participate in the City's program?

Eligible residential requirements: All residents located in the City of Sycamore that are receiving electricity supply service from ComEd are eligible to participate.

Eligible business requirements: All small businesses located in the City of Sycamore that are receiving electricity supply service from ComEd, with a ComEd designated annual usage of 15,000 kWh or less, are eligible to participate.

Opt-In Eligible: All residents located in the City of Sycamore that currently receive supply service under the following rates are eligible to Opt-In to the program.

- ComEd's Hourly Program
- Retail Electric Service
- Net Metering Program

Is there an early termination fee?

No. However, you will be obligated to pay for services rendered under the contract until your service is terminated.

Electricity Aggregation Program

where energy comes from

Who is MC Squared Energy Services?

MC Squared Energy Services, LLC (mc²) is a certified, retail electric-service provider

headquartered in Chicago. Collectively, the leadership team at mc² has more than 100 years' of combined experience in the energy industry. MC Squared Energy Services, LLC is a wholly owned subsidiary of Wolverine Holdings. For more information on the company, including a leadership-team profile, visit our website at www.mc2energyservices.com

What is the toll-free number for questions?

If you have any questions, you can call mc² toll-free at 1-855-740-9989, Monday through Friday, from 8 a.m. to 5 p.m., or email your questions to Sycamore@mc2energyservices.com

How do I enroll?

Eligible residential or small business customer will receive a letter in the mail from the City regarding the action required to participate in the program. There are two types of letters:

- 1) Opt-Out Letter – These customer will be enrolled automatically unless they choose to opt-out by following the instructions in the letter.
- 2) Opt-In Letter – These customers will need to call 1-855-740-9989 to enroll into the program.

What will change on my electricity bill if I'm enrolled?

You will continue to receive a single bill from ComEd on a monthly basis. "MC Squared Energy Services" will be designated as your supplier in the "Supply" section of your ComEd bill. ComEd will continue to bill you for distribution services and taxes. Payments should still be sent to ComEd at the address provided.

Will I receive notification of the change?

ComEd will mail you a confirmation letter indicating they have received notice of your switch to mc² as your electricity supplier.

What if I have already switched to an Alternative Retail Electricity Supplier (ARES)?

If you have already switched to an Alternative Retail Electricity Supplier (ARES), you can still opt in to the program by calling mc² at 1-855-740-9989. You will need to provide your account number, name, address and phone. Please note that you may also be subject to early termination fees or other restrictions by your current provider. You should check with your current provider to better understand any restrictions or policies that might apply.

Will my electricity service be disrupted when I switch?

No, there will be no disruption in service. You will continue to receive the same electric service through the same transmission and distribution system currently operated by ComEd. The switch to mc² is seamless.

What if my power goes out – who do I call?

ComEd is responsible for ensuring that electricity flows through its distribution network to all homes and businesses. All service issues, including power outages, should still be reported to ComEd at 1-800-334-7661.
